*Reminder:
Public Health
Requirements*

Organizations like St. John's have been asked by the Public Health Unit to maintain a log of donated foodstuffs and their contributors when the goods are being made available to the public. This has implications for such events as the Harvest Bazaar, Community Dinners, funeral receptions, etc.

To help us comply with these regulations, please place a *removable* nametag on your food donation (i.e. sticky note or label). This information will be discarded prior to your item's sale or use. Thank you for your help.

*Keep in mind our
newer
bazaar attractions...*
